

Built exclusively
for manufactured
homes

**13 SEER,
HIGH-EFFICIENCY
PACKAGED AIR CONDITIONER AND
HEAT PUMP PRODUCTS**

EXCLUSIVELY MADE FOR YOUR MANUFACTURED HOME.

While there are many choices when considering air conditioners and heat pumps, few are designed and tested specifically for use in manufactured homes.

A Broan 13 SEER packaged air conditioner or heat pump offers maximum efficiency and system dependability for your manufactured home.

The more you learn about our manufacturing process, the more you'll see that no other heating and cooling manufacturer compares to Broan's product quality — quality made possible through Demand Flow Technology™. While other companies test products at random, we use 100% computer-automated testing on every Broan product to eliminate human error in the

final analysis of product quality. We are the only heating and cooling manufacturer to be DFT certified.

You can rely on your Broan expert to make your home more comfortable with digital thermostats and other manufactured home accessories.

It's a comfort to know that Broan is made for your manufactured home, and it's a comfort you can feel.

FEATURES & BENEFITS

- Compact footprint and low profile make unit easy to install and transport. Self-contained unit installs on the outside of your manufactured home to maximize indoor living space.
- Includes enhanced evaporator coils to better combat corrosion.
- Broan coils are designed to optimize heat transfer and increase durability and reliability.
- Epoxy coated grille and plastic mesh hail guard protect coil from damage from extreme weather and flying debris.
- Permanently lubricated motor delivers long-lasting reliability and quiet operation.
- Outdoor thermostat is standard on heat pumps.
- Warranty - 5 year parts or 1 year Quality Pledge. If registered 10 year parts and 10 year Quality Pledge.

Features and Benefits exclusive to the Extra-High Efficiency model:

- State-of-the-art compressors on 13 SEER models improve efficiency for economical comfort.
- The compressor has a 10 year standard warranty.
