

Residential Heating and Cooling Equipment Certificate for Qualified Energy Property Tax Credits

The 2012 Tax Relief Act provides a federal tax credit on extra-high efficiency heating and cooling equipment. Gibson heating and cooling products, manufactured by NORDYNE LLC certifies that the models or systems listed on the following page if placed in service after December 31, 2011, and before January 1, 2014, in a homeowners primary residence, meet the criteria of "Qualified Energy Property" as set forth by Section 25C of the Internal Revenue Code. The tax credit is up to 10% of the installed cost (up to \$500.00) for qualified equipment.

IMPORTANT NOTICE: For tax purposes, save your receipt and this Certification Statement. NORDYNE is not responsible for incorrect interpretation of IRS tax regulations. Please consult a tax professional if appropriate.

Manufacturer:

Gibson

Heating and Cooling Products

NORDYNE LLC
8000 Phoenix Parkway
