High Efficiency Media Retrofit Air Cleaner

- **STANDARD LIMITED LIFETIME WARRANTY**
- **When installed and registered with a complete Maytag system, this product carries a 12 Year All Parts Warranty.**
- **Product registration (by consumer or dealer) required for 12-year Warranty within a limited period of time after the installation. See current warranty document for details. This can be viewed at www.maytaghvac.com or ask your sales representative.**

The Maytag High Efficiency Media Retrofit Air Cleaner is designed to remove atmospheric and household dust, coal dust, insecticide dust, mites, pollen, mold spores, fungi, bacteria, pet dander, cooking smoke and grease, tobacco smoke particles, and more down to 0.3 micron (1/84,000 of an inch). Best features include a perfect fit, MERV 11 filter, which is 5 1/4" deep, ensuring no air gaps or by-pass. It yields a higher initial efficiency and maintains high efficiency over the life of the filter. Plus, it has lower initial static pressure drop and longer life than most other types of media filters on the market. Replacement filters are only available through the dealer, for guaranteed repeat sales. The Maytag High Efficiency Media Air Cleaner includes Activated Carbon Filters to control odors. The heavy gauge galvanized steel cabinet with stainless steel door provides solid installation and long life. The modular design easily upgrades to a Maytag High Efficiency Electronic Air Cleaner.

Standard Features

- MERV 11 filter removes airborne particles down to 0.3 micron.
- Perfect fit 5 1/4" deep filter, ensures no air gaps or air by-pass.
- Media filter lasts up to one year in standard applications, for low maintenance.
- Low initial static pressure drop.
- Carbon filters included to help control odors.
- Silent operation.
- Heavy gauge galvanized steel cabinet with stainless steel door.
- Reversible air flow. Mounts in any position.
- Upgradeable to an Electronic Air Cleaner.
